

# Registration of organisations

---

Version 1.1

## Version History

<b>Version</b>	<b>Date</b>	<b>Comment</b>
1.0	01.01.2021	Initial Version
1.1	28.03.2022	Added business contact

## Registration of an organisation to iDDEN:

To register to the iDDEN program, you need to provide information about your organisation.

Send the information below (Nr. 1-7) about your organisation to [register@idden.net](mailto:register@idden.net).

Your iDDEN-ID and API-key will be sent to your contact address (Nr. 3)

### Data provided by the Organisation:

1. Name
2. Address
3. Contact (Email e.g. [info@company.com](mailto:info@company.com))
  - Technical Contact (responsible for implementation)
  - Business Contact (available for potential iDDEN partners)
4. Country code (ISO 3 letters – INT for International)
5. Type of Organisation (3 characters)
  - **MRO** Milk recording organisation e.g. Lactanet
  - **DPC** Data processing center e.g. vit
  - Original Equipment Manufacturer
    - **OCP** OEM Cloud Provider e.g. Lely
    - **OFS** OEM Farm Software e.g. DeLaval
6. Authentication-URL (if providing data)
7. Service-URL (if providing data)

### Attributes that iDDEN will add for the Organisation:

- iDDEN-ID (unique 12-digit random number)
- iDDEN API-Key (secret)
- Organisation Status (internal use)
  - Founding Members
  - Strategic Partners
  - Customers
- Valid from and to Dates

### Lookup of iDDEN-ID

The public data stored for an Organization (iDDEN-ID + Nr. 1-6) will be presented on an official iDDEN website (fill in here).

In addition to this, a webservice will be provided for requesting data for automatic processing.

Example: Request (iDDEN-ID)  
Response (iDDEN-ID + Nr. 1-6) if organization is still valid
